

# TIRUPATI LOGISTICS

TRUSTED TO DELIVER EXCELLENCE

# ABOUT US:

Tirupati Logistics is managed by an experienced team of professionals who experience and experience in logistics management. Tirupati Logistics has been helping clients and their shipments to reaching their destinations. The team members with a combined experience of 20 years are self motivated and bring all their energies to help clients achieve their goals. The organization is reputed for its immaculate management of logistics. The company is professionally managed by Mr. Rajendra Pandharinath Avhad. The company has set up Corporate office in Mumbai.

Behind the impressive growth of the company is the dedication and dynamism of promoters and employees of the organization. The management team is constantly looking at the future and plan accordingly developing ways to improve the company and its service.

# QUALITY POLICY:

An aerial, top-down view of a large container ship sailing on the ocean. The ship is viewed from the stern, showing the deck covered with a dense grid of colorful shipping containers in red, blue, and white. The ship's wake is visible in the water, and the horizon is in the distance.

We are committed to Deliver and maintain efficient and Consistent Domestic Clearing & Forwarding Services through Continual Improvement in Implementation of Quality Management system to achieve Total Customer Satisfaction.
